General Information

LOCATION—The Sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Monday, March 29, 1954. Show at 9:00 a.m. Sale at 1:00 p.m.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bang's, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot, and for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association; or to any of the auctioneers: J. E. Halsey, Des Moines, Iowa; Carl Graham, or Glen Bradley, Maryville, Missouri.

A dinner will be served the evening before the sale. For place, hour, and tickets, see Dale Bellows, Maryville, Missouri.

Those from a distance desiring hotel reservations should contact **Dr. W. L. Landfather**, Sale Manager, early.

Show and Classifications

This show and sale is co-sponsored by the Missouri State Board of Agriculture and the Northwest Missouri Shorthorn Breeders' Association.

MISSOURI STATE DEPARTMENT OF AGRICULTURE AWARDS

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as to blue ribbon, red ribbon, and white ribbon animals, their respective earned ribbons and a cash premium of \$6.00 for Blue, \$4.50 for Red and \$3.00 for White.

These awards are made possible through an appropriation by the Missouri Legislature to encourage the production, distribution, and use of better breeding animals in Missouri.

BLUE RIBBON Animals are excellent individuals.

Only animals of outstanding quality, unusually good type, symmetry, and conformation, in sufficiently good flesh and adequately fitted to demonstrate fully their qualifications will be placed in this group. These are animals of unusual merit that would in every case be a valuable addition to the top breeding herds of the state.

RED RIBBON Animals are superior individuals.

Only animals of superior quality, of good type, and without any major defect, plainly demonstrating the superiority of their qualifications will be placed in this group. These animals should be sufficiently good to improve any commercial herd and most small breeders' herds.

WHITE RIBBON Animals are good individuals.

Animals of somewhat less desirable type and with one or more rather objectionable characteristics may be placed in this group. These are animals that would improve commercial herds, and would in every case be superior to grade and scrub animals.

Unworthy animals will not be classified.

From the President's Desk . . .

The Northwest Missouri Shorthorn Breeders' Association is now beginning its second decade as an organization dedicated to improving the quality of the beef cattle on the farms in our trade territory. It has grown from a few members ten years ago to the place where now there are some sixty members, most of whom are now supplying the beef cattle trade with top quality foundation stock.

Some of our members have been progressive breeders for nearly fifty years and some are new breeders who are also aggressive in their efforts to breed better SHORTHORNS. We have gone to considerable effort and expense to improve our herds by the purchase of outstanding herd sires and foundation females.

Our relationship with neighboring Shorthorn Breeders' Associations have been most cordial and we are always happy to cooperate with our State and National associations in the promotion of SHORTHORN cattle. Our members are united in efforts to help junior breeders, FFA and 4-H clubs get started in the purebred beef cattle business with better SHORTHORNS. Many new purebred herds have been established thru the efforts of our association and other herds have been strengthened by purchases in our sales.

We are living in an area where diversified farming makes production of beef cattle a profitable enterprise and we hope to continue as a source of supply of better SHORTHORNS. So it is with pleasure that we present this offering of SHORTHORNS for your consideration.
